## Warwick Denver Completes Full Renovation

### Hotels

The [Warwick Denver](#) has finalized a comprehensive renovation of all 216 guestrooms and suites within the hotel. Each room has been completely reconfigured and is now equipped with high speed Wi-Fi connection, HDTVs and multiple connecting points for electronic devices. The rooms and suites have been refurbished in a modern style with natural textures designed to reflect the rustic characteristics of the Rocky Mountains and the state of Colorado. In addition, each room or suite provides guests with an 120-square-foot private outdoor balcony overlooking the downtown skyline or the Denver cityscape.

Situated between the Capitol Hill and the Downtown Commercial District, the Warwick Denver offers a heated rooftop swimming pool and sun deck rooftop bar that showcase a panoramic view of the city and the western approaches of the mountains.

Located on the 15th floor is the fitness center that offers guests strength training and cardiovascular equipment. On the other side of the 15th floor is the Millennium Ballroom which offers three-sided city views. This event space is in addition to 4,500 square feet of meeting and function space that have floor-to-ceiling windows.

The Warwick Denver has also developed the "New Year, New You, New Warwick" package, which includes overnight accommodation and the option to include one of the following amenities:

- Overnight valet parking
- Upgrade to the next larger room and 3:00 p.m. late check out
- Two drinks in Randolph's Bar each day
- Two tickets to the Denver Zoo
